

EDGE MASTER

REFINE AND BLEND YOUR EDGE WORK FASTER AND MORE EFFICIENTLY!

5-STEP EDGE GRINDING SYSTEM

| | | | | |
|---------------------|---------------|---------------|---------------|-------------------|
| STEP 1 | STEP 2 | STEP 3 | STEP 4 | STEP 5 |
| EXTRA COARSE | COARSE | MEDIUM | FINE | EXTRA FINE |

- Featuring our high performing ceramic bond in 5 different grit sizes to refine and blend edge work faster and more efficiently.
- Use the Extra Coarse Step only when you need to remove deep scratches and gouges, or any hard topical materials on the edges. In most cases, you can start with the Coarse Step.
- Offered with M14 and 5/8-11 threaded attachment, and can be used with most handheld grinders.
- Suitable for wet and dry use, on all types of concrete.

NEW!

**OFFERED IN 2 SIZES:
